Make an **Impact,**
Enhance a **Life.**

Royer-Greaves  **needs your Help.**
SCHOOL FOR BLIND

You Can Make an Impact in Our Royer-Greaves Community Today!

What can you do today to make a difference in the lives of the students and adults who have found Royer-Greaves to be an encouraging and supporting community for those living with visual and other impairments?

Support these remarkable individuals by supporting the facilities they have come to rely on every day for academics, life skills and recreational pursuits.

Your generous donation can help us...

- Renovate the pool where students and adults receive daily water therapy.
- Construct a dedicated pathway for students to transition safely from building to building.
- Purchase classroom materials to meet the specialized learning needs of our students.
- Maintain the therapeutic resources available through music and our sensory room.
- Provide clothing, winter coats and holiday gifts to our students and adults who do not have families in their lives.

Any amount you wish to contribute will make a meaningful impact on the Royer-Greaves community. Won't you complete the enclosed donation envelope today?
